

# Chino Hills Military Service Monument Dedication Ceremony and Unveiling

January 18, 2020 • Chino Hills Community Center

What started as a vision, proposed to the Chino Hills 55+ Club Veterans Group by Charter Member Brett Benson, became a reality through the hard work and determination of Club members. Thanks to Club President Susanne Anderson, Veterans Group Chair George DeFrank, and a core fundraising team that raised \$60,000, the Chino Hills Military Service Monument was unveiled to a grateful community.

The monument will stand forever to honor the men and women who have served, or currently serve, in the United States Armed Forces, and their families. Community members purchased tribute bricks, laid at the base of the monument, to honor loved ones.
