Dear Ms. Anderson:

On behalf of our Board of Directors, may I express sincere appreciation for Chino Hills 55+ Club's gift in the amount of \$1,000 to Boys Republic. We will place your contribution in our Aftercare Fund, where it will be used to assist at-risk graduates as they transition to life as responsible and productive adults.

Your support is very important to us. Since our founding in 1907, Boys Republic has served more than 32,000 boys and girls. We provide them with programs of guidance and education, and we strive to teach them important values of honesty, responsibility, work ethic and service to others. Most of our graduates become responsible, productive citizens. This record of accomplishment would not have been possible with the support of caring individuals like you.

Thank you again for your friendship and thoughtful support. We value our relationship you and are pleased to consider you a vital part of the Boys Republic community.

Sincerely,

Tina Javid
