Shakespeare is Modern English?

Development of Old English: 449 -1100

Development of Middle English: 1100 -1500

Development of Modern English: 1500 -
present

Elizabethan English was flexible enough to
create opportunities for linguistic inventiveness
and license to experiment with language.

Sharpening Your Insult Skills

Shakespearean Insults No One is Safe

- If you are going to insult people, you might as well insult them skillfully.
- Don't attempt to explain the meaning of these insults. Just look at your confused victims and chortle.
